

Regents Living Environment – 2023-2024

Course Expectations

Mrs. Palumbo

Expectations:

- Come prepared
- Follow all classroom rules and all school rules
- Follow all laboratory safety rules
- Be courteous and respectful
- Do your best

Absences: If a student is absent, it is his/her responsibility to get the missed notes/assignments.

Laboratory:

- In order to take a Regent's examination in any of the sciences, a student must complete 1200 minutes of laboratory experience with **satisfactory documented laboratory reports**. A student who does not satisfy the laboratory requirements will not be permitted to take the Regent's examination. If a student is absent for a laboratory, they must make arrangements to come in and do the laboratory activity.

Notes:

- Note entries must be dated and titled. They must be neat and organized.

Homework:

- Unless otherwise stated, assignments are due the day after they are assigned.
- Must be completed on time. One day late is a loss of 25%, Two days late is loss of 50%. After that – no credit except in case of excused absences. If a student is absent, it is his/her responsibility to get missed assignments.

Online Work:

- Seesaw will be used to post assignments online.

Project: Long term projects will be given the same weight as a test.

Grading:

- 25% laboratory work
- 25% classwork/homework
- 50% tests/quizzes/projects
- Check the parent portal

Extra help: Available with prior appointment

Remind.com:

I have set up a reminder system on remind.com. I will use this to alert parents of due dates for projects and the date of any upcoming tests. Even if you were setup on remind.com last year, you still need to enroll for 2023-2024 year.

If you wish to be added to the remind.com alert system, either send me an email with the student's name, parent name and an adult cell phone number (this must be a parent cell number) or provide this information on the following page - this system is not authorized to send message to children. These alerts will arrive as a text message. I will add parents to remind.com who wish to be added.

Extra help: Available with prior appointment

Remind.com:

I have set up a reminder system on remind.com. I will use this to alert parents of due dates for projects and the date of any upcoming tests. Even if you were setup on remind.com last year, you still need to enroll for 2023-2024 year.

If you wish to be added to the remind.com alert system, either send me an email with the student's name, parent name and an adult cell phone number (this must be a parent cell number) or provide this information on the following page - this system is not authorized to send message to children. These alerts will arrive as a text message. I will add parents to remind.com who wish to be added.

Contact me:

Regents Living Environment – 2023-2024

Course Expectations

Mrs. Palumbo

Expectations:

- Come prepared
- Follow all classroom rules and all school rules
- Follow all laboratory safety rules
- Be courteous and respectful
- Do your best

Absences: If a student is absent, it is his/her responsibility to get the missed notes/assignments.

Laboratory:

- In order to take a Regent's examination in any of the sciences, a student must complete 1200 minutes of laboratory experience with **satisfactory documented laboratory reports**. A student who does not satisfy the laboratory requirements will not be permitted to take the Regent's examination. If a student is absent for a laboratory, they must make arrangements to come in and do the laboratory activity.

Notes:

- Note entries must be dated and titled. They must be neat and organized.

Homework:

- Unless otherwise stated, assignments are due the day after they are assigned.
- Must be completed on time. One day late is a loss of 25%, Two days late is loss of 50%. After that – no credit except in case of excused absences. If a student is absent, it is his/her responsibility to get missed assignments.

Online Work:

- Seesaw will be used to post assignments online.

Project: Long term projects will be given the same weight as a test.

Grading:

- 25% laboratory work
- 25% classwork/homework
- 50% tests/quizzes/projects
- Check the parent portal

Extra help: Available with prior appointment
